NEW

TURKISH (Hamam) and RUSSIAN

BATHING INSTITUTE

AND PRIVATE HOSPITAL,

522 TO 528 PACIFIC ST.

Between Montgomery and Kearny, *West of Montgomery Avenue.*

Acknowledged by Travelers to be one of the most complete and perfectly appointed Bathing Establishments in any country.

TURKISH, (Hot Air) RUSSIAN (Vapor) and ELECTRIC Baths

Given Separately or Combined. A Great Improvement in Bathing.

The Salient Features of the Institute are:

Convenient and entirely separate apartments are offered to ladies and gentlemen, fully prepared for the administration of all kinds of Medicated Water Baths, as

SULPHUR, MERCURIAL, SPRUDEL, TAN, BRAN, Etc.

All the Baths are on the ground floor, which, by dispensing with the basement idea, so commonly adopted by others, insures perfect ventilation and purity.

The Steel Boiler is far away from the Bath proper, so the most timid need not be afraid of an accident.

The Bath House, specially built for that purpose, on solid rock and earthquake proof, is in size, 68 feet by 137½ feet, more than twice as large as any of the other houses, with ceilings 16 to 30 feet high.

To the Bathing Establishment are also attached handsomely furnished private suites of rooms, for the treatment, by their own or the house physician, of patients not affected with any contagious or infectious disease.

The proprietor, Carl D. Zeile, who managed Dr. Zeile's Baths for the last 33 years, will, with the aid of his trained and polite attendants, use his best efforts to give complete satisfaction.

The Baths are Open from 7 A. M. to 8 P. M., Sundays from 7 A. M. to 2 P. M.

For the sake of Health, Purity and Freshness, I will not run the Baths through the night.

☞ Entrance, through the Drug Store.

Price of Baths, $1.00 Each, - Six Tickets for $5.00.

N. B.—Our Second-class (50 Cent) Steam Baths are better and far superior to any other first-class baths in town.
